

Application form of the Chordofonia Friends and Patrons Association

WHO are the friends and patrons?

The friends and patrons of Chordofonia chamber orchestra sponsor the orchestra through financial and moral support. The honorary board of directors ensures that the funds do not go to any other parties and therefore fully benefit Chordofonia.

HOW do the friends and patrons support?

The friends and patrons are actively involved in realising the orchestra's vision. Through membership fees, voluntary commitment and by spreading the word about the orchestra's work, they make possible, among other things, special concert experiences, audio and video productions, projects to promote young talent, concert tours and thus support this project for the future.

WHAT do the friends and patrons offer?

Membership offers the opportunity to network with other music enthusiasts. Members receive discounted tickets to the orchestra's events and can take advantage of special offers such as open rehearsals, studio visits and artist talks. In addition, members of the association can expect an exclusive special event every year. All contributions are tax-deductible as charitable donations [in Germany].
